

Your Oklahoma Public Library Has a New Tool to Assist Veterans with Benefits and Services

Brainfuse—an on-demand, web-based, online learning platform—is now available to all Oklahomans through their local public library thanks to a statewide contract purchased by the Oklahoma Department of Libraries.

Brainfuse VetNow helps veterans and their families understand and apply for benefits from local, state, and federal programs. Live online navigators are available from 1 to 11 PM each day to help veterans connect with valuable services. Through live online assistance, veterans can get the help they need transitioning from military to civilian careers throughout all stages of the job process. Plus, *Brainfuse* helps veterans and their families prepare for college through a full suite of academic tools.
